

## Panama Canal Commission

Pt. 3532

Governments of the United States and Panama, U.S. contractors and subcontractors, including their U.S. citizen or U.S. permanent resident employees, may be required to file tax returns with, as well as provide corresponding U.S. tax information to, the Government of Panama on income arising under or relating to Panama Canal Commission contracts. This requirement is applicable when the contractor, subcontractor, or individual employee is present in the Republic of Panama in connection with one or more Commission contracts for more than 90 calendar days during the relevant tax year. This description of the stated requirement is not intended, nor should it be construed, to be a legal analysis of the taxation agreement. The Commission assumes no responsibility or liability for a contractor's or individual's obligation under the taxation agreement, nor for the interpretation of such agreement. A copy of the taxation agreement will be provided to the contractor or prospective contractor upon request to the contracting officer.

(2) If clause 52.229-6 is incorporated by reference, rather than in full text, insert the note directly below the title of the clause.

(3) Include elsewhere in the body of the solicitation the following note to alert offerors that clause 52.229-6 has been supplemented. In supply and service solicitations, this note should normally be inserted in Section B following the blanks provided for offerors to insert line item prices. In construction solicitations, the note should normally be attached to Standard Form 1442 or inserted in the solicitation's Special Conditions. In small purchase acquisitions, the note is to be included in the document requesting prices or by separate attachment to the document. If a U.S. contractor wins the small purchase award, the note shall be incorporated either (i) in full text, or (ii) by reference, on the purchase order or other award document.

NOTE: Offerors' attention is directed to the note added at the end of clause 52.229-6, Taxes—Foreign Fixed-Price Contracts. The note is an advisory notice regarding possible tax obligations under certain circumstances of U.S. contractors, subcontractors, and their employees to the Government of Panama. If the circumstances appear to be applicable, offerors may obtain additional information by contacting the contracting office at the address or phone number provided elsewhere in this solicitation.

(4) If additional information regarding the taxation agreement is re-

quested of Panama Canal Commission employees, either before or after award, the individual who receives the request shall promptly notify the contracting officer and the Office of General Counsel who shall determine, in conjunction with the Office of Executive Administration, the appropriate action to be taken.

(5) Contracting officers shall serve as the official liaison, for purposes of the taxation agreement, between offerors/contractors and the Commission. The taxation agreement provides for the classification of contractors into two categories, resident and non-resident, by representatives of the Governments of the United States and Panama according to criteria set forth in the agreement. The representative of the United States Government is the Assistant Director, Policy and Programs, Office of Executive Administration. Classifications, when confirmed by the two representatives, will be communicated to the respective contractors by the contracting officer.
